17) In his letter No.5105/55-56 dated 25-1-1956, the Chairman, City Improvement Trust Board, Bangalore, however, states that no such papers could be traced from the records. It is not clear, how, not one, but

Whether the connected papers are available at least in the Office of the Chief Engineer in Mysore, Bangalore, may kindly be ascertained and, if the official has not forgone the promotion of his own volition and the case has not previously been decided otherwise, the request of the official to promote him to the grade Rs.100-10-150 during the period from 27-11-1950 to 15-7-1954, may kindly be considered. 2o) Sri G.L.Ethirajulu Naidu, Draftsman who was working in Trust Board was promoted to the grade of Rs.100-10-150 during November 1950 and posted to the Electrical Department. But as the Chairman, City Improvement Trust Board, Bangalore wanted his services to be continued in City Improvement Trust Board the benefit of promotion being given in the Trust Board, vide No.4323/50 dated 11th December 1950 from the Chairman, City Improvement Trust Board, Bangalore to the Chief Engineer of Mysore Bangalore, the official was continued in the Trust Board. During June 1953, this office was informed by the Chairman, that there is no sanctioned post of Rs. 100-10-150 in the Trust Board to continue the official in the Trust Board. By this time many of the juniors of Sri Ethirajulu Naidu were promoted in the grade of Rs.100-10-150 in subsequent vacancies. In view of the Chairman's letter quoted above, the Chairman was requested to obtain sanction of Government to upgrade the post of the Draftsman from the date of promotion to enable the official to draw increments accrued to him, during the period of service in the Trust Board. Since then the question is being pursued from this end and the following communications were also addressed to the Chairman, City Improvement Trust Board, Bangalore by this office.

Sir,

FTB. 20. 55-28

I write to state that one Sri G.L. Ethirajulu Naidu - - was working in this Office as Draughtsman in Grade 80-5-125 from 22-10-1945 to 15-7-54 against a sanctioned post. The Official was promoted to the higher grade of Rs.100-10-150 with effect from 27-11-50 as per letter No.8157-6/E. dated 27-11-50 from the Chief Engineer of Mysore, Bangalore. As there was only one sanctioned post of a Draughtsman in grade 100-10-150, the promotion was not given effect to during the period of his stay in this Office. Though it may appear as strange the Official who knew that he was promoted to a higher grade and that there was no place for him in this Trust Board failed to urge for his increments for a period of nearly four years for reasons best known to himself.

The amount involved in the case on account of the promotion to the higher grade for the period from 27-11-50 to 15-7-54 will be Rs.192/- and this will be over and above the sanctioned scale.

Sanction of Government may kindly be obtained for payment of the above amount from out of the Trust Board Funds.

Yours faithfully,

=====

In forwarding herewith a copy of the statement obtained from the Official Sri ~~EHXX~~ Ethirajalu Naidu, through the Chief Engineer of Mysore as to why he did not urge for the benefits of his promotion for nearly 4 years as desired in your letter under reference, I write to state that it is very difficult to say anything at this distance of time as to why timely action was not taken either to relieve the Official from the Office or to get the sanctioned post of Draughtsman for the Revised scale of pay on Rs.100-10-150. The Official states in his statment that he represented thrice to the Chairman about his promotion to the higher grade i.e., Rs.100-10-150. But no such representations are traceable in this Office records. Therefore I request that sanction of Government may kindly be obtained for payment of the excess amount of Rs.192/- to be incurred over an above the sanctioned scale then existed in this Board as already represented in this Office No.791/55-56 dated 16/17-5-1955.

Re: Personal-Sri.Ethirajulu Naidu, Draftsman, Arrears Claims.

Ref: Chief Engineer's Memo No.12818/1/Est.55-56 dated 27-10-1955.

--

With reference to the Chief Electrical Engineer's Memo No.43190 dated 5-11-1955, I write to submit as follows:-

In regard to promotion to new grade Rs.100-10-150, I have represented several times personally with the then Chairman, City Improvement Trust Board and with the then personal Asst. during my stay at Trust Board Office, i.e., between 27-11-1950 and 15-7-1954, besides to my represntations in writing thrice to the Chairman, City Improvement Trust Board, Bangalore.

But the increments were sanctioned to me in theold grade Rs.80-5-125 alone at the Trust Board Office for want of sanction of Government to the new grade of Rs.100-10-150. I have drawn a pay of Rs.120/- from 1-1-1951, and Rs.125/- from 1-1-1952 in grade Rs.80/- 5-125.

The matter of promotion to the newgrade Rs.100-10-150 was under correspondence between the office of the Chairman, City Improvement Trust Board, Bangalore, and the Chief Engineer in Mysore Bangalore. Hence I hoped that the Chairman, City Improvment Trust Board would settle my claim for promotion in grade 100-10-150 and arrears claims in this grade.

From the correspondence it is seen that the Ciarman, City Improvement Trust Board, has since addressed Government in the matter of my promotion in Grade Rs.100-10-150 and to settle arrear claims in his letter No.791/55-6 datéd 16-5-1955.

P.T.O.

In the above circumstances, I beg to submit that I have been urging for my promotion in grade Rs.100-10-150 and to settle my arrears claims since. 27-11-1950 and to request for the early settlement of my promotion with arrear claims.
